

Painted Rock Faces

1. Take a walk and gather some rocks.
2. Rinse them off at home and allow them to dry.
3. Put faces on your rocks. Be creative, what emotions can you show? Happy, sad, grumpy, surprised, scared, silly, funny, serious?
4. I used permanent markers to make my faces, but you could try crayons, paint, even colored chalk.

Book suggestions: *Sylvester and the Magic Pebble* by William Steig and *Rock Collecting* by Elaine Pascoe (available in BookFlix: <https://fspl.org/digital-library>).
